April to June—Spring Bulb Display

July to frost—Tuberous Begonia Display

A wooded Fairyland of beauty in the heart of the Pocono Mts. where hundreds of bulb varieties are displayed. Visit and see how you can discover the wealth of possibilities for your own garden. For those unable to visit, and to assist those who do, here is a PARTIAL price list highlighting some of the SPECIALS this year. This is not an elaborate catalog which adds to bulb costs. Here we keep quality UP, costs DOWN. Write to us concerning any varieties you may desire that are not listed, we probably carry them. For your friends we have a fine selection of GIFT items. To obtain the BEST that Holland grows, orders MUST be placed with our Holland Specialists EARLY. So that we may efficiently anticipate your needs, your reward is a huge savings on all orders placed with us by June 1. We handle only mature "Stake-crop" bulbs picked for proved bloom. When you buy from VanSciver's you get THE BEST. Visit our garden displays. See what you buy. Order early!
